

Good Samaritan for a Better Life

1/25/09

To The good heart, little children at "Concordia Lutheran School," we, Gina and Ginette Eugene of Good Samaritan for a better life, want to thank you for choosing our mission of God to receive your precious donation. This past Christmas, we were very sad because we did not have any money to put a little smile on the face of some children of Haiti, very poor. Thank God, your little money arrived and it was a good and blessed start. We use your money as part of plane ticket to Haiti. God provided for the remaining cost of the trip. Gina, with joy in her heart flew to Haiti Jan 2nd 2009 to bring a late Christmas spirit to some poor of Haiti. Please receive these pictures of Gina and the children, memories of these children unforgettable moments, first Christmas. You play a such special role in the live of these children. May God Bless you all, your family, your Teachers, your country. ♡

Love, and many thanks from
Gina & Ginette Eugene
