Dear Friends:

I want to take a moment to express my sincere thank you for your generous contribution to our 2008 Christmas Angel Tree Program. Through your support of new toys and donations, our program was successful. You enabled us to put smiles on the faces of over 5,691 less fortunate children in Miami-Dade County this past Holiday Season.

We are grateful for the support received from wonderful, concerned friends like you and your employees, that enables us to be successful in our daily work to make life a little brighter for those in need. I look forward for your continued support throughout the New Year.

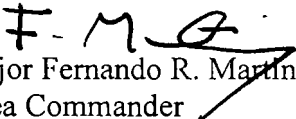

Please know that The Salvation Army is here to assist those who need 365 days a year. We serve those less fortunate no matter what time of year, whether it is for shelter for the homeless, counseling, and food for the hungry, disaster assistance, or special seasonal programs. The Army is always here to help. Our mission is never to turn a person in need away.

Soon you will hear from us about a Certificate of Appreciation of the Angel Tree Program.

May God bless you and those you love. Again, thank you very much.

Wishing you a Happy New Year!

Sincerely,

Major Fernando R. Martinez
