Dear Pastor Drummond:

I am the Mother of Michael Waddell. He is two years old and in Mrs. Hawkins' class. The purpose of this letter is to commend not only Mrs. Hawkins, but also all the teachers at the school.

My son's brain seems to pick up everything and I am amazed at how much he has learned! I was especially impressed when we were about to eat dinner last night and he stopped. I stopped and looked at him to see what he was doing. He started singing the prayer song that ends with the words "happy day!" that I know he sings every day before lunch. And he thanked God. When he was finished he began to eat. I thought that was the nicest thing to do that now I am learning the song as well! And now I think we will start singing the prayer song before we eat dinner every day! He was showing me and teaching me!

It's nice to know that my son is learning good values and following the good examples of the teachers. I appreciate it!

On a lighter note, I thought I would mention also how nice it was for Ms. Brown to take photos of my son for me. It's a nice memory and she takes wonderful pictures!

I thought you should know that children really are learning and that the teachers at Concordia Lutheran School really do make a difference in children's lives (and their families!).

Sincerely,

Katherine Waddell
